Moldova Young Artists Association “Oberliht” invites you on 11<sup>th</sup> of December 2008 to take part in the launch of the catalogue and screening of the final version of the documentary film **INTERVENTIONS3**. The presentation will be followed by a debate about the results obtained during the project, the impact that this project had over the cultural life in Moldova and the future of this project.

The presentation will take place at 4 pm at *ARThotel*, a space recently open for creation and cultural exchange whose driving force constitute the artists and their practices. It opened in August 2008 with a project by Dan PERJOVSCHI presented for the first time in Chişinău.

Run by *Oberliht* Association it will primarily host visual art(ists) for short term residencies, creation, production, diffusion, workshops, debates with the possibility to open towards other disciplines in the future.

#### ABOUT INTERVENTIONS3

The **INTERVENTIONS3**, artistic project dealing with public space took place in the city of Chişinău and its surroundings throughout August this year. The project gathered more than thirty participants from Moldova, Romania, Croatia, Germany and France who stayed in the city for a short term residency creating art works and reflecting over the processes producing Chisinau’s public space today, the city’s visual structure, the memory and experience of its inhabitants’ everyday life.

Their stay is documented in the catalogue of the project, in two different issues of STATE of EMERGENCY magazine / *Oberliht* Supplement and a in the film that is going to be shown on this occasion.

The project consisted of several phases: city walks, artists’ projects, public presentations and discussions, *Ghidighici GRAFFITI session* and opening to the public of *ARThotel* – a space for artistic production and exchange. Leading Romanian artists visited Chisinau and created work exclusively for this occasion (Dan PERJOVSCHI, Vlad NANCĂ, Nicu ILFOVEANU etc.), some of which are still accessible to the visitors. The project was also exploring sub-cultural urban practices (graffiti and street art, free cultural goods flux) as a form of resistance to overwhelming processes of commercialization of public space. As a side effect, throughout the city of Chişinău various examples of street art can be found.

#### Everything begins at 4 pm

Meeting point and time is 3:45 pm in front of “Andy’s Pizza” at Telecentru, Docuceaev str. nr. 1 (entrance from Gh. Asachi str.), after that we will walk toward “ARThotel”, Gh. Asachi str. 53/1, lit. “A”, Chişinău.
